VOL. V.

RENO, WASHOE COUNTY, NEVADA, FRIDAY, SEPTEMBER 6, 1878.

NO. 136.

CONDENSED TELEGRAMS.

The Legislature at Victoria has been prorogued.

Bush fires prevail throughout British Columbia.

There are 943 men at present employed at Mare Island navy yard.

Two slight shocks of earthquake were felt at Petaluma on the 4th.

Chauncey R. Filley, Postmaster at St. Louis, has been removed, and Samuel Hayes appointed.

S. Newton Pettis, of Pennsylvania, has been appointed Minister Resident and Consul General at Bolivia.

Six hundred employees of a leather firm in Newark, (N. J.), denounce Dennis Kearney in speeches and resolutions.

The annual Inter-State Exposition was formally opened to the public at Chicago on the 4th, and will continue until October.

The Pall Mall Gazette inveighs against Fenian Condon's release at the solicitation of the United States as unwise and undignified.

Mathias Driscoll, a workman in the dry dock pit at Mare Island, was killed on the 5th by a four-ton block of granite which was dislodged from a corner and fell upon him.

It has been stated before the Royal Commission at Victoria that in the district of Kootenay all the candidates openly bribe the voters with money, goods or whisky.

Ex-Governor H. H. Haight was buried at Oakland on the 4th, the attendance from members of the bar, Regents of the University, Pioneers, and citizens generally, being very large.

J. H. Adams, ex-Sheriff of Santa Clara county, and famous because of his pursuit of Vasquez, and Cornelius Finley, ex-County Clerk of the same county, were murdered last Monday at Davidson's canyon, Arizona, by Mexican robbers. They owned mines in the Hershaw district and, it is supposed, were returning from Tucson with money to pay their employees when waylaid.

Subscriptions for the yellow fever sufferers continue in San Francisco. The Pacific Stock Exchange, on the 4th, passed a resolution donating \$500; Biggs & Co., saloon keepers, gave the proceeds of one day's sale—\$150; Parker Lodge, I. O. O. F., has subscribed \$225; employees of the San Francisco Gaslight Company have donated \$100; the Jews have subscribed \$2,500; employees of the United States Surveyor's office, \$76.

A Horrible Oregon Murder.

PORTLAND, Sept. 5th.—Another horrible crime has just come to light. Recently there was a statement made that an old man named Wilson, of Wallowia valley, was missing. He had been out on a hunting expedition with his son-in-law, Joseph Coffman, and the story was that they had separated, and the old man was supposed to be lost. After several days Wilson's body was found near where he was last seen. It was shockingly mutilated, as if to create the impression that the murder had been done by Indians, but appearances show that it was done by one man. Wilson had about \$200 in money, and to get this is supposed to have been the motive of the murder. All signs point to Coffman as the guilty person. The head of Wilson was cut entirely off, one of the arms was severed from the body, the face mutilated, and the remains were dragged some distance into the brush and covered over with dirt and leaves.

Breach of Promise.

[S. F. Chronicle September 2.]

Nellie Templeton has brought suit in the Nineteenth District Court against James Bowen to recover \$25,000 damages for alleged seduction and breach of promise of marriage. The complaint sets forth that on or about the 19th day of September, 1877, in this city, in consideration that the plaintiff, who was then unmarried, would, at the request of the defendant, marry him, the defendant promised to marry the plaintiff within a reasonable time. The plaintiff confided in the promises of the defendant and his protestations of sincerity and affection, but the defendant on or about the 3d day of January, 1878, he married a Mrs. Bohanna.

A Cowhiding Affair.

[S. F. Stock Exchange.]

Henry R. Burnes was arrested yesterday on a charge of battery preferred by N. C. Susand. The battery grew out of an alleged attack by Susand on the character of Burnes' wife. The weapon used was a cowhide, or, more properly, a compound rawhide, for two rawhides were bound together by a leather thong and used in the castigation. Burnes met Susand on the corner of Montgomery and Pacific streets, and had administered but a few blows when he was stopped and arrested.

THE SOUTHERN PLAGUE.

The Epidemic Increasing in Virulence—Relief Hastening from the North.

NEW YORK, Sept. 5.—Contributions North, East and along the Atlantic coast for the yellow fever relief fund rather increased than diminished, and considerable sums were sent to the infected districts to-day. Benefit performances will be given at Niblo's Garden and the Fifth Avenue Theatre to-day, and the best resident and visiting actors will appear at both. General Samuel Carpenter, General Eastern Passenger agent of the Pennsylvania railroad company, will run a special train from and to Philadelphia gratuitously, in order that Edward F. Thone and his entire company from the Walnut-street theatre may play in his own establishment and at Niblo's Garden on the same day, and thus increase the relief fund. Mayor Ely has sent a grateful letter to General Carpenter, thanking him and the Pennsylvania railroad company for their prompt and generous action.

NEW ORLEANS, Sept. 4.—From noon to 6 P. M. 28 deaths and 60 new cases have been reported to the Board of Health. Among the new cases are Major Nathan Burbank of the Pica-yune, Julius Resch, the well known musician, Henry Heidenheim, two Sisters of Mercy at St. Andrew's Convent, and several cases at the Boys' Orphan Asylum on St. Charles avenue. Father Dufu, the only priest in Shreveport who survived the epidemic there goes to Vicksburg this evening to assist Bishop Elder. Mrs. Mattie Norville, wife of the late C. P. Norville, of the Democrat, died to-day. Her husband and their only child died last week.

CANTON, Miss., Sept. 4.—We have about a hundred cases of yellow fever under treatment, sixteen new cases and four deaths preceding 9 A. M. to-day. We are in great need of money and colored nurses.

CHICAGO, Sept. 5.—The total yellow fever fund collected by the Citizens' Committee to date is \$26,561, from various sources \$6925; total \$33,483. Two thousand dollars have been sent to New Orleans, \$1000 each to Vicksburg and Memphis, and \$500 each to Port Gibson, Grenada and Baton Rouge. Collections are coming in rapidly from the country and increasing rapidly.

Don't Forget it.

If you are troubled with nervousness, are disheartened, tired of life, fear death or feel out of sorts, as the saying is, you may safely conclude that you have the Dyspepsia or Liver Complaint. The liver is very apt to become torpid at this season of the year, as poisons arising from marshes, stagnant water are more numerous, and are, through inhalation, taken into the blood. Unless the liver is strong and active, and furnishes a supply of fresh and pure blood to drive out the impurities, the above mentioned symptoms surely follow, and if not heeded, end in more terrible diseases and death. White's Peppermint Cure proves itself the great liver panacea. Its action on the liver is different from any medicine ever compounded. Its cures are truly wonderful. Try it. Price, twenty-five cents and seventy-five cents. For sale by our druggists, Osburn & Shoemaker.

LOUD TALK.

We are informed upon good authority that certain members of the old court-house ring are claiming openly that they have captured the delegation which has already been named. We don't believe that they own two-fifths of the delegation, because the men chosen are above any such compacts. These would-be servants who have grown fat by standing at the "ring crib" should be a little more retiring in their manner of speech. They say that the GAZETTE, in trying to afford full and fair consideration of these matters, is opposing them, and they intimate that continued opposition will cause a split in the party. Now, if this be true, we hope every man will pocket his opinion and allow these men to claim what they please. It would be very bad if, through a foolish desire to manage their own affairs, the people should cause a split in the party ranks.

We are encouraged to hope, however, that these men do not own so much delegation as they think, and we counsel none of these delegates to withdraw because such things are said of them. The GAZETTE believes that the ticket is made up of citizens who are above pledging themselves to every corner, and they all know that the ring does not own them. There will be a split some day in the ranks of the people, and some of those who are threatening the party now will fall through it. We caution the people, however, not to fear these blusters. They are not dangerous, even if they do own delegations, court-houses at the undivided attention of the people. They talk loud because they have little to say.

FOR SURVEYOR GENERAL.

A. J. Hatch, a pioneer of Nevada, and for many years a resident and tax-payer in Washoe county, will be a candidate before the Republican Convention for Surveyor-General. Mr. Hatch is thoroughly identified with us, and has in many ways added to the material wealth of this State. His home now, in the midst of a populous town, was built up from a barren desert, and his future lot will be cast among us.

Mr. Hatch has been a surveyor and engineer for twenty-two years, and is thoroughly acquainted with the land laws of Nevada. As Chairman of the Public Land Committee in the Legislature of 1871, Mr. Hatch thoroughly revised the existing laws and made them more effective. Since that time the poor man has been allowed ten years in which to pay for his land, and interest was made payable only when it accrued.

We commend Mr. Hatch's candidacy to the full and fair consideration of our fellow citizens. Washoe is entitled to a place on the State ticket, and Mr. Hatch is the first one announced, who is competent to vindicate his aspirations. It is for the people to determine whether he shall represent this county on the Republican ticket of 1878.

On Tuesday next there is to be an election in this county which will be of great importance to the Republican party in Nevada. This election will determine who are to stand as exponents of Republican honesty and fair dealing in Washoe county. The vote of Tuesday will name delegates who will be empowered to choose candidates. When this choice is made, Republican success is secured or forfeited. When your candidates are named, gentlemen, you are before the people. You then say to voters: "These are the best men which we have to offer you—they are honest Republicans and have clean records. We ask your votes in their behalf." Don't forget, either, that when you name delegates you name candidates. If your delegate does not represent your views in regard to county matters, how can you expect that the candidate will. The GAZETTE wants to see a fair and free choice on the part of the people. If any of its friends cannot stand by that policy, then they must fall.

EDITORIAL NOTES.

Verbum Sap of the Evening Rattle, wants to make his readers think that he is a Republican or a Democrat. Our opinion is that he is a know-nothing, and stands high in the party. He avows that he will be a delegate to the Republican Convention, and the next day promised to support Kittrell for Attorney-General. He says that unless things go his way he will bolt. The people of Ormsby county have too much good sense ever to allow anything to go the Deacon's way, because that leads to his pocket. Hence the Deacon will be a Democrat. Poor old man, he is nothing but a wreck of his former self. He was once a good sailor.

The Lyon county Times affirms that Hon. Henry K. Mitchell is talked of as a possible candidate for either the United States Senate or the Governorship. Although not seeking a nomination, the gentleman is understood to be "in the hands of his friends," and willing to "stand in" for either of the above named offices.

Professor Clark the slayer of young Adams in Carson has been released by an order of Court. This is the second grand jury which has ignored the charge against him.

SIMMOND'S NABOB WHISKY.
A GREAT REMEDY.

SIMMOND'S
NABOB
WHISKY.

FOR
Indigestion, Dyspepsia and Nerv-
ousness.

The Purest and Best
—FOR ALL—

Medicinal and Family Purposes.

HAS BEEN SOLD IN ALL THE EASTERN STATES AND GIVEN UNIVERSAL
satisfaction. It is highly recommended by the Faculty for all cases of Nervousness,
Weakness, Debility, Dyspepsia, Indigestion, etc.
It is now introduced to the public of the Pacific Slope, as a remedy for the omni-
gent DR. J. HAYES, State Assayer of Massachusetts, and D. H. C. LOUDERBACK of St.
Louis, Mo., both gentlemen prominent in their profession, and which is a guaranty to all
buyers of its purity and quality.
I can show thousands of letters from private persons, from all parts of the Union and Can-
ada, to testify to its merits and the benefit it has afforded, as a family remedy and tonic.
Dyspepsia is called the national disease of this country, and many reasons why have been
given. It is frequently said that people work too much, eat too fast, sleep too little, tax the
powers of nerve and brain too incessantly, drink too much ice water, eat too much hot bread,
smoke too much tobacco, give way to too much excitement, and consequently play them-
selves out in the shortest possible time. "A short life and a merry one" seems to be the
sentiment that chiefly influences a large number of persons, and for that no person feels at
ease when suffering in health. Now, however, much or little truth should be attached to the
opinion of physicians who charge the great prevalence of dyspepsia and nervousness to any
of the causes mentioned, it cannot be denied that there are some applications received by
druggists throughout the country for medicines to relieve and cure stomach and nervous pains
and disorders, and all other maladies that afflict frail humanity. As might be expected under
the circumstances, a large number of specific to successfully contract these diseases have
been introduced to the attention of the public, but nearly all of them have failed to do any
good. Whenever, therefore, any alleged new remedial agent is spoken of, very little confi-
dence is felt in it by reason of numerous past disappointments, so that people who are
chronic sufferers from dyspepsia, indigestion, physical weakness, or nervousness almost de-
spaired of being cured. They, however, take too despondent a view of the matter, for those
who have used the celebrated NABOB WHISKY, which can be had from all respectable
druggists and grocers, know by experience that it is a sure remedy for all the maladies re-
ferred to, and that its tonic properties are of the most strengthening character. Many persons
who found it impossible to properly digest a single meal, and whose physique had been sadly
attenuated, have derived immediate benefit from the NABOB WHISKY, and in a short time,
by its regular use, regained all their health and strength. It can be taken with impunity, as
no drugs are incorporated with it, and its healthy action on the human system is at once felt.
The effect which it produces on the organs of the stomach is such as to create a vigorous ap-
petite and regular digestion easy, no matter what the habits of the sufferer may be, and it at
the same time stimulates the nerves and stimulates the brain. There are no fictitious claims for
the great remedial agent, so that all persons who are troubled with dyspepsia or nervousness
would be wise to themselves if they failed to test its curative qualities. Its sale is rapidly on
the increase, and the better it is known the more it is used.

CAUTION—None genuine unless labeled with my signature over the cork.

FELLOWS'
Compound Syrup!

—OF—
HYPOPHOSPHITES.
THIS DISCOVERY
Is the result of a series of Scientific Experi-
ments based upon the theory that for the
successful cure of Wasting Diseases, the nerv-
ous system must be made vigorous and
healthy.

One of the first symptoms of disease affect-
ing either the Liver, Lungs, Heart, Stomach,
or Genital Organs, is a loss of nervous power.
This is followed by muscular relaxation, weak-
ness, and emaciation of all the organs which
depend upon them for health or involuntary
muscular action, the weaker suffering first.
The inventor, acting upon this idea, that
the muscles and nerves depend upon each
other for efficient strength and action, and
that they must be treated directly in order to
speedily and permanently cure diseases of the
organs which they control, became convinced
after months of experiment, that no other
preparation produced such potent and direct
effects upon the nervous system as his

Compound Syrup of Hypophosphites
and except in cases of actual organic loss, that
it would restore patients suffering from those
maladies.

Amongst the diseases overcome by the use
of this remedy are the following:—
Chronic Constipation,
Chronic Dyspepsia,
Asthma,
Chronic Bronchitis,
Consumption,
Chronic Diarrhoea,
Chronic Laryngitis,
Melancholy,
Nervous Debility.

Debility, resulting from Typhoid and other
fevers, Diphtheritic Prostration, Hysteria,
Hypochondria, Nervous Excitability, Maras-
mus or Wasting of the Muscles, Aphonia or
Loss of Voice, Singingness of the Liver, In-
terrupted and feeble Action of the Heart,
SUPPORTING FEELINGS caused by mucous ob-
struction of the Lungs and Air Passages lead-
ing therefrom, and Debility from various causes.
In such cases, the "Fellows' Compound Syrup of
Hypophosphites" has proved itself of the great-
est service by inducing healthy peristaltic
action of the intestines. The evacuations
become copious and healthy, without
producing the effect of purgative medicine.

Weakness of the Joints and Muscles, Im-
pairment of the Blood, and INWARD WAST-
ING may be cured by attention to the regu-
larly described doses, and by due regard to the
habits of life.

FELLOWS'
Compound Syrup of Hypophosphites
The power of arresting diseases displayed
by this preparation is honorably acknowledged
by the medical faculty in every section where
it has been introduced, and the large sale is
the best guarantee of the estimation in which
it is held by the public.

This Syrup will cure PULMONARY CONSUMPTION
in the first and second stages, and in the
great relief and prolong life in the third. It
will cure ASTHMA, BRONCHITIS, LARYNGITIS
and COUGHS. It will cure all diseases origi-
nating from want of MUSCULAR ACTION and
NERVOUS POWER.
